

Build financial freedom with help from Sister School

Free 12 week online business program with support & coaching from like-minded women

Sister school provides the practical knowledge and support needed to start or grow a business in Australia. From financial foundations to your personal point of difference, we will help you start your business journey.

Sister School is for women who:

- Have completed 'My Big Idea' workshop
- Are ready to invest time to build a business
- Want help and support to become financially independent

What is 'Sister School' all about?

12 week online business program

Business education including sales, marketing, operations and growth plans

90 day planning and long term goal setting

Community

Join a group of women on a similar stage of their business journey and become part of a safe and supportive community

Fully subsidised

Global Sisters is a not-for-profit, which means all our programs are provided at no cost to you thanks to our incredible corporate partners and government support

Valued at \$3000
